

# Introduction: Starting mentoring

chance uk

## Agreement between everyone

This agreement will help us know what we all need to do for mentoring be a success. Sessions can only happen when we are all following the agreement.

<b>Your mentor needs to...</b>	<b>Agreed?</b> Tick or cross
Arrive on time for sessions and let you know if they are late	
Make decisions about sessions with you whenever possible	
Listen to what you have to say	
Keep you safe during sessions	
Tell an adult if they are worried about your safety	

<b>Your parent/carer needs to...</b>	<b>Agreed?</b> Tick or cross
Communicate with your mentor weekly to arrange sessions	
Help you get ready for sessions on time	
Meet with you and your mentor twice to review mentoring	
Tell Chance if either of you have any worries about mentoring	

<b>You need to...</b>	<b>Agreed?</b> Tick or cross
Be safe on sessions and tell your mentor if you feel unsafe	
Be respectful to your mentor and other people on sessions	
Be ready for sessions on time	
Challenge yourself during sessions	
Tell an adult if you have any worries about mentoring	

If any of us do not follow this agreement then we will meet to discuss why and try to find a solution. If sessions are not happening safely then we may pause until we have found a way to be safe when out together.
