

Month 3: Review cards

PM to cut out, laminate, and give to mentor. These cards are to be used when completing item 3c – Goals Meeting.

What has been your favourite session so far? What made it your favourite?

We agreed some hopes at the start of mentoring. How have you been working on these?

What have you enjoyed about getting to know each other?

What have you both got better at since mentoring started?

We have all signed an agreement about mentoring. Has everyone stuck to this? If no, what needs to change?

You set 3 goals! Make sure you all sign them off. Why did you choose these ones?
